

Draft P&O Statement re Resolution for the 2016 Renewal of BSEP

Good Evening Members of the Board, Superintendent, District Staff,

My name is xxxxxx and I am a member of the BSEP Planning and Oversight Committee.

Tonight you will be reviewing and considering adopting the resolution to put the next BSEP measure on the November ballot. It is almost hard to believe that this day has already arrived -- almost as hard to believe as Donald Trump being on that same ballot, but not quite. However, at least when it comes to the adoption of this resolution, the P&O wants you to know how ready and excited we are for the new measure to be taken to the voters of Berkeley for their ultimate endorsement.

It is practically an understatement to say that the funds that the last BSEP Measure, Measure A of 2006, have been vital to our schools. It is hard and even painful to envision what our district would
